

# Pray for the World

This activity encourages pupils to pray for areas and issues in the world.

## Equipment needed:

Large world map  
Post-it notes  
Pens

Optional:  
Newspapers  
Photographs from magazines  
Inflatable globes.

## Instructions:

This activity encourages pupils to think about things that are happening around the world; perhaps things they've seen or heard about in the news, or about family or friends who live in different countries who they don't often get to see.

Display the world map, either on the floor or securely fixed to a wall, along with any newspapers or other information that you have collected, and some Post-it notes and pens. This is a great place to display information about any international charities which the school supports, partner schools in other countries or other overseas links that the pupils may have.

Encourage pupils to write or draw their thoughts or prayers on the Post-it notes and stick them on or near the country.

# Pray for the World

Look at the world map.

Do you have family or friends who live in another country?

Have you heard about any of these countries on the news?

If you want to, you can write or draw a thought or prayer for another country, or for someone you know in another country, onto a Post-it note and stick it on the map.
